

# REGULATOR

## GEMINI

Item RL1000 **NEW!**

### First Stage:

- Balanced diaphragm
- 4 low pressure ports
- 2 high pressure ports
- Compact and lightweight

### Second Stage:

- Non-adjustable
- Excellent breathing performance
- High grade chromed brass air supplier sleeve
- Silicone diaphragm and exhaust valve

## ICE

Item RL9000

### First Stage:

- Balanced diaphragm
- Ice diving ready
- Satin chrome finish w/heavy duty knob
- 4 low pressure ports
- 2 high pressure ports

### Second Stage:

- Adjustable design w/venturi switch
- Soft extended exhaust tee
- Long bite mouthpiece reduces jaw fatigue
- High impact plastic
- High grade chromed brass

## AIR ESSENCE

Item RL7000

### First Stage:

- Compact and light weight
- Flow by piston design
- 3 low pressure ports
- 1 high pressure port

### Second Stage:

- Non-Adjustable
- High impact plastic
- High grade chromed brass
- Stainless steel lever and spring
- Adjustable orifice and venturi

## PROTEUS

Item RL2000

### First Stage:

- Balanced diaphragm
- 4 low pressure ports(SWIVEL)
- 2 high pressure ports

### Second Stage:

- Adjustable
- High impact plastic
- High grade chromed brass
- Stainless steel lever and spring
- Adjustable orifice and venturi

# FIRST STAGE / PRESSURE CHECKER

## 1st STAGE

Item RS808 **NEW!**

- Balanced diaphragm
- Adjustable first stage (for cold water diving)
- 2 high pressure ports
- 4 low pressure ports
- Solid brass body

## 1st STAGE

Item RS816 **NEW!**

- Balanced diaphragm
- 2 high pressure ports
- 4 low pressure ports
- Compact and lightweight

## 1st STAGE YOKE

Item RS811 Yoke **NEW!**

- Balanced diaphragm
- 2 high pressure ports
- 4 low pressure ports
- Yoke version
- Compact and lightweight

## 1st STAGE DIN

Item RS811 Din **NEW!**

- Balanced diaphragm
- 2 high pressure ports
- 4 low pressure ports
- Din version
- Compact and lightweight

## 1.5" PRESSURE CHECKER

Item PC14

- Plug-in type intermediate pressure checker
- 1.5" gauge with boot
- Fits on standard BC hose

## 2" PRESSURE CHECKER

Item PC17

- Plug-in type intermediate pressure checker
- 2" gauge with boot
- Swivel device to hold/release air
- Fits on standard BC hose

## 1.5" PRESSURE CHECKER

Item PC18 **NEW!**

- Plug-in type intermediate pressure checker
- 1.5" gauge with boot
- On ▶ Off ▶ pressure release isolator
- Fits on standard BC hose
